

## DATA PROCESSING ADDENDUM

This Data Processing Addendum (“DPA”) forms a part of the Master Terms found at [www.onespan.com/master-terms](http://www.onespan.com/master-terms), unless Customer has entered into a superseding written master agreement with Supplier, in which case, it forms a part of such written agreement (in either case, the “Contract”) between Supplier and Customer for the purchase of internet based Products, Support and/or Professional Services from Supplier (identified either as “Services” or otherwise in the applicable agreement, and hereinafter defined as “Services”).

Customer as Controller enters this DPA on behalf of itself and, to the extent required under applicable Data Protection Laws, in the name and on behalf of its Controller Affiliates (defined below). For the purposes of this DPA only, and except where indicated otherwise, the term “Customer” shall include Customer and Controller Affiliates. All capitalized terms not defined herein shall have the meaning set forth in the Contract.

In the course of providing the Services under the Contract, Supplier may Process certain Personal Data (such terms defined below) on behalf of Customer, and where Supplier Processes such Personal Data on behalf of Customer, the Parties agree to comply with the terms and conditions in this DPA in connection with such Personal Data.

### HOW TO EXECUTE THIS DPA

This DPA consists of two parts: the main body of the DPA and the Exhibits and Appendices. To enable the quick execution of this Addendum, OneSpan has pre-signed this DPA and any modifications to this DPA will render the DPA and OneSpan’s signature on it null and void.

Signature of the DPA on page 7 shall be deemed to constitute signature and acceptance of the Standard Contractual Clauses and its Appendices if applicable to Customer’s jurisdiction.

If the Customer entity signing this DPA is a party to the Contract, this DPA is an addendum to and forms part of the Contract. In such case, the OneSpan entity that is party to the Contract is party to this DPA.

If the Customer entity signing this DPA has executed an order form with OneSpan or its Affiliate pursuant to the Contract, but is not itself a party to the Contract, this DPA is an addendum to that order form and applicable renewal order forms and the OneSpan entity that is party to such Order Form is party to this DPA.

If Supplier is unable to make available such change within a reasonable period of time, which shall not exceed thirty (30) days, either party may terminate without penalty the applicable Order Form(s) with respect only to those Services which cannot be provided by Supplier without the use of the objected-to new Sub-processor by providing written notice to Supplier. Supplier will refund Customer any prepaid fees covering the remainder of the term of such Order Form(s) following the effective date of termination with respect to such terminated Services, without imposing a penalty for such termination on Customer.

**8.3.2** The parties agree that the Customer that is the contracting party to the Contract shall, if carrying out an on-site audit of the Supplier procedures relevant to the protection of Personal Data, take all reasonable measures to limit any impact on Supplier by combining, to the extent reasonable possible, several audit requests carried out on behalf of different Controller Affiliates in one single audit.
