OUR CLIENTS' SUCCESS IS AT THE CORE OF OUR BUSINESS

"As a mobile-only bank, innovative service delivery and a frictionless experience are paramount for us. OneSpan brings deep industry expertise and a unique and effective approach to the challenge of balancing UX, security and regulatory requirements."

HEAD OF PAYMENTS AND TRANSACTIONS
ORANGE MONEY CS

"There were several important aspects of OneSpan Sign that reinforced our decision: ease of integration, end user platform independence, the embedded audit trail, and OneSpan Sign's track record for deployments in government environments."

CHIEF INFORMATION SECURITY OFFICER
USDA

"When we saw the way that OneSpan enforces the security on the smartphone, and also the continuous updates to the software of the smartphone, we were convinced that finally, here was a product that we can offer to our customers that guarantees us a high level of security."

INFORMATION SYSTEM CHIEF INFORMATION OFFICER
RAIFFEISEN ITALY

"The convenience of digitally signing IBM contracts on any device, combined with the work we've done to radically simplify our contracts, is a force multiplier for speed and the client experience."

SENIOR VICE PRESIDENT OF SALES
IBM

About OneSpan

OneSpan helps protect the world from digital fraud by establishing trust in people's identities, the devices they use and the transactions they execute. We make digital banking accessible, secure, easy and valuable. OneSpan's Trusted Identity platform and security solutions significantly reduce digital transaction fraud and enable regulatory compliance for more than half of the top 100 global banks and thousands of financial institutions around the world. Whether automating agreements with identity verification and e-signatures, reducing fraud using advanced analytics, or transparently securing financial transactions, OneSpan helps lower costs and accelerate customer acquisition while improving the user experience.
